COPYRIGHT ASSIGNMENT FORM

Thank you for considering my image(s), identified in the table below, for the "Images of Clay" archive. I understand that the Society may choose to hold my image(s) in its archive for a period of time, or not to use the image at all.

I have completed the table below for each image submitted.

	File name of Image	Mineral(s) name(s)	Locality/Source information	Scale of image (full width and units)
1				
2				
3				
4				
5				
6				
7				
8				
9				
10				

The image(s) has/have not been published elsewhere _____ (please tick)

The image(s) has/have been published elsewhere _____ (please tick). I attach permission from the publisher of the other work to use the image in the Society archive. This is a doi link to the paper in which this paper was published.....
I hereby agree that the attached image(s) may be used by the Mineralogical Society in any paper/electronic versions of the project "Images of Clay", including future editions and revisions, derivative works, ancillaries, custom editions and promotional material on any media now known or hereafter devised, in all languages for distribution throughout the world. I understand that images in the “Images of Clay” archive will be freely available to download for educational and other not-for-profit purposes.

This permission in no way restricts publication of my material in any form by me or by others authorized by me.
