

Institutional registration and subscription activation on Ingenta Connect

In order to register and activate your journal subscriptions please go to:

www.ingentaconnect.com/register/institutional

Registering your institution is quick and easy; the whole process involves 4 simple steps and should take you no more than 5 minutes. Please have ready the following information:

Contact details

- As administrator, your basic contact details
- Your library/institution's name and address

Authentication

Access to IngentaConnect can be set up in two ways. You may choose one or both methods of authentication.

- IP address/range (users accessing from computers within an IP range defined by the site administrator) - You may need to consult your network administrator for this information.
- User name and password.

The confirmation screen will provide you with your Ingenta customer ID number. Please provide this number whenever you contact Ingenta as this will allow us to bring up your registration details immediately.

Access to the journals

You can now click on the 'Add' option to set up your institutional subscriptions to Mineralogical Magazine and/or Clay Minerals. Please note you will need to enter your subscription number when adding subscriptions, please contact us (admin@minersoc.org) if you do not know this number.
