

# FuturoClays

Mineralogical Society

## **Advances in Clay Science for Future Geological, Environmental and Industrial Applications**

**Devonshire Building, Devonshire Terrace,  
School of Civil Engineering & Geosciences, Newcastle University,  
Newcastle upon Tyne, NE1 7RU. England UK**

## **2009 Annual Meeting of the Clay Minerals Group of the Mineralogical Society**

### **Instructions for presenting authors**

#### **Oral presentations**

A PC with Office 2007 operating on Windows Vista will be available and presenting authors are requested to prepare MS-Powerpoint presentations suitable for display on a PC, saved onto a mobile storage device (CD, memory stick etc.). It will be possible to plug laptops into the projector system if essential but please advise the FuturoClay Organisers if you intend to do this (email [maggie.white@ncl.ac.uk](mailto:maggie.white@ncl.ac.uk)).

#### **Poster presentations**

Poster boards will be available for posters up to a maximum of A0 size, preferably in portrait orientation please. Fixings will be available from the FuturoClays organisers. Posters can be displayed throughout the FuturoClays Meeting for viewing on Monday 14<sup>th</sup> December and Tuesday 15<sup>th</sup> December.
